

Job Search Going Nowhere?

Step Away From The Crowd.

CONNECT with the OCN @ www.OmahaCareerNetworking.org

Omaha Career Networking

Applying only for jobs online during a job search has a less than 5% chance of getting you a job or interview. Using new tactics, like those shared in the Omaha Career Networking group, yields interviews and a better chance of the landing that next position.

Job search support and assistance through education, experience, expertise and faith.
